

The background of the entire page is a photograph of a commercial kitchen. In the foreground, a long, clean stainless steel countertop runs across the frame. In the background, there is a stainless steel shelving unit with a white stand mixer on the counter, a metal bowl, and a whisk. Above the counter, a shelf holds various kitchen supplies like containers and bottles. To the left, a glass-fronted refrigerator is visible, containing some produce. The wall behind the counter has a white marble pattern.
